

Kindergarten info

New Delhi 14.08.2008

Dear Parents,

We would like to welcome you all to the new Kindergarten year. This term we will begin with 40 children in both Kindergarten groups, and we have opened a waiting list for those who still want to join. We are eagerly awaiting the completion of an additional Kindergarten room by the end of the year, so we can accommodate more children. In the Shooting Stars we have 3 full groups with each 8 children.

The teachers are Mrs. Christiane Singh and Mrs. Ina Khan for the Rainbow group, Mrs. Nadja Derpa, (as substitute for Mrs. Babita Bankemper till fall), Mrs. Katja Lohmeier and Mrs. Carmen Hussain for the Sunshine group, which has only preschoolers for this term, and Mrs. Kirstin Hernig Godde, Mrs. Erika Teufel and Mrs. Martina Fischer Gerres Mrs. Christina S. Lakshmi and Mrs. Nadja Derpa for the "Shooting Stars".

We take the opportunity here to introduce Mrs. Nadja Derpa as a new teacher for Kindergarten and "Shooting Stars". During the first week we have given space and time to the old and new children, to us and to you dear parents to find ourselves back. We played, had fun, were creative, told stories and refreshed and found old and new friendships.

On Monday 24th August 2008 we will have our first parents meeting at 18.00hrs in the Art Forum. Please make sure to be present since we will exchange valuable information, introduce the kindergarten program and hold the elections for the new parent's representative as well.

Please let us know which mode of Transport your child takes to reach and leave school. If there are changes in your telephone numbers or addresses from last year please keep us up to date too.

Please also read the Kindergarten Information on our website www.dsnd.de for more valuable information.

Looking forward to a great Kindergarten year and to welcome you all we remain with best wishes

Your Kindergarten Team
